THE PLEASURE OF SHOPPING

- [www.levneelektro.com](http://www.levneelektro.com), our first online shop we opened in response to the internet global business boom in trading on the internet with the possibility to order goods from anywhere with fast delivery service to requested destination,
- in the following period we conducted a massive investment in the professional information technology, customer services, the logistics, extended the range of goods and we started rapidly growth,
- in 2010 we opened new branches in Prague and Ostrava,

**” During the entire period of its existence since 1992, our company has never been insolvent!**

” We are currently the 3rd biggest online shop with electrical appliances for household in the Czech Republic.

- after several years of negotiations, we bought the domain www.levneelektro.cz which is currently bearing the brand of our company in the Czech Republic
- our company has currently a total of 40 trained employees with many years of practise,
- the planned turnover of our company for 2011 is 750 million CZK.

The company ELEKTRA PV s.r.o. operates as a seller not only in the Czech Republic but also in the Slovak Republic. We actively trade with the states of European Union for example with Germany, France, Holland or Poland and we would like to extend to Hungary, Romania, Ukraine or Russia. The strong financial background enables us to buy goods in large quantity from strong suppliers or directly from the manufactures. Thanks to this fact our company achieves the most attractive commercial offers for its customers.
